Title:

“The California Dental Practice Act”

The Fairmont Hotel

Saturday, February 29, 2020

11:30am – 1:30pm – 2 units

Course Description:

The California Dental Practice Act is the chapter of the California Business & Professions Code that contains the basic body of laws governing Dentistry (Business & Professions Code (B&P) 1600). California law requires that every dental professional must have a grasp of that basic body of the law, together with the related portions of the California Code of Regulations (CCR) and selected other California statutes. This course has been designed to summarize the Dental Practice Act and related laws through the current year.

Objectives:

- 1) Summarize the California Dental Practice Act. Describe the legal role and responsibilities of the dentist and dental auxiliaries
- 2) Distinguish between direct and indirect supervision and define which auxiliary responsibilities are in each category
- 3) Describe the various laws regarding licenses in the dental profession
